

PARIS WRITERS WORKSHOP

Have you written something - poetry, short stories, a novel or memoir? Or do you need encouragement to start writing? Perhaps you're interested in drawing, writing about the arts, cookery or travel? Want to compose more effective business memos and emails? Or maybe you're tempted by genre writing: Fantasy, Crime, and Romance Fiction?

If you're too busy during the year to take classes at WICE, the Paris Writers Workshop provides the perfect answer. Whether you have 3, 5 or 10 days, PWW has something for you.

PWW's ten-day program includes 2 vernissages with Claire Laporte and John Freeman, Annees Folles Literary Tours with John Baxter, individual manuscript consultations with Literary Agents, and much more. For more information, complete guidelines, and registration form, please consult: www.pariswritersworkshop.org.
